

Introducing the 2023 Ford Transit Trail™ Van

Preproduction computer-generated images with available features and aftermarket equipment shown throughout.

There's an adventure around every corner. Transit Trail van is the perfect platform to design and build a camper van. It starts with impressive features, multiple roof heights and ample cargo room. Which means you can get the fun of van life started right out of the gate.

With the New 2023 Transit Trail™ Van, Adventure Comes Standard

No Pavement? No Problem.

A **3.5-inch ride height** increase with **16-inch black alloy wheels** and **30.5-inch Goodyear Wrangler® Workhorse® All-Terrain tires** provides enhanced ground clearance. Plus, a 2.75-inch increase in front and rear track width creates a wider stance for more stability. For power, the Ford Transit Trail van features a **3.5L Ford EcoBoost® V6 engine** that delivers 310HP at 5,000 RPM, 400 lb.-ft of torque at 2,500 RPM¹. The standard **All-Wheel Drive** enhances handling and maximizes traction.

Fit for the Bold

The **unique black grille** with integrated marker lamps is front and center, while standard **Black HID headlamps** and **fog lamps** help light the way. Distinctive **wheel arch cladding** and a **skid plate-style front bumper** give it a bold, rugged look. And **rock slider-style steps** make entry easy. Simply put, Transit Trail van fits neatly into the wild.

Ease into the Adventure

Step inside Transit Trail van for the comfort of van life, with enough cargo space for all your gear and more. The **4-way manual swivel driver** and **passenger seats** let you join the fun in the back, while the optional **MaxxFan™ Deluxe roof vent fan** keeps air circulating. And the **Keyless Entry Keypad** provides coded access to your vehicle, giving you the freedom to explore.

Cutting-Edge Technology

The innovative **SYNC® 4²** system — with integration to **Alexa Built-In³**, **Apple CarPlay^{®2}** and **Android Auto™²** — makes staying connected to your world easier than ever. Plus **FordPass® Connect™⁴** with Wi-Fi HotSpot⁵ gives you wireless capability, even up to 50 feet away from your vehicle.

Great Resources When You Need Them
